Kirtland Senior Center Monthly Newsletter

FROM THE DESK OF THE MAYOR

Each month, I'm tasked with writing two Mayor's notes. One for the Kirtland Chronicle and one for the Senior newsletter. Because I have a propensity to write about the happenings, and even mechanics, of city government, I have to say that this message is a little more difficult. For these monthly reflections, I try to keep the mundane and dry tone that municipal government so often exudes to a very minimum. So, as I was sitting here thinking about the best possible subject to cover, I thought "why not write about the people that make this all happen?" That simple question spurred the following.

I want to thank all of you for making the Kirtland Senior Center the very best around. Yes, we have pickleball, fitness and chair volleyball. Sure, our center is home to birthday lunches, holiday parties, trivia, and clambakes. But what truly makes the Center the standard bearer, is the people. Our people. Time and time again, I've been more than welcomed into activities, games, and tremendous feasts. Each time I arrive at your center, I am astounded by the warmth and hospitality expressed to me and that you pass to one another. It truly is a wonderful place, and I'd say it's one of the things I'm most proud of in Kirtland. Thank you.

As we prepare for the shorter days and colder temperatures, please consider reaching out to those who are homebound and/or potentially lonely. And if you know of someone who requires an extra bit of assistance, please let me, Teresa or Marianne know, and we will help in any way we can. We have great volunteers, as well as civic and church groups in our community that are always ready to lend a helping hand. I know I say it often, but we are so very blessed to be in Kirtland where helpfulness and the spirit of community just seems to be second nature.

Thank you, Mayor Potter

When I started here at the Kirtland Community Center, I was told that the summer is quiet because everyone is traveling and the winter is quiet because everyone stays inside during cold snowy weather. Three years in, I can unequivocally say that neither has proven to be true. I have yet to find a “quiet season” here in Kirtland. And this winter looks like it’s staying on brand.

So far, fall has brought with it abundant harvest in terms of programming and events. I am so grateful to everyone who comes out to join us either at City or Center events. There is such a great group of people here in Kirtland. As we look towards the season of thanksgiving, let us remember how fortunate we are in this community!

Out of everything that I have the opportunity to do within the City, two stick out at the top of the list. It’s well known that I LOVE sitting down with our members after I manage to convince them to be our monthly Senior Spotlight. But perhaps lesser known is a responsibility I have through the Mayor’s office. For over twenty years, the Ministers and Leaders within the Kirtland area have met monthly. A different organization hosts, and all churches, and civic groups are invited to come together to discuss how to best serve our residents. From the department heads to the library to the schools to service groups to churches and faith organizations, this is one of the best groups of people I have had the pleasure of working with. You may not be aware of how hard these dedicated ministers and leaders work for the good of the whole, but trust me - we’re lucky to have them all.

Part of the annual holiday tradition in Kirtland is to have all of these groups join together for an ecumenical Prayer Service of Thanksgiving. Since we restarted this event, the location has rotated, and is back at the Kirtland Temple this year. This is a great opportunity to come together this season and give thanks with our brothers and sisters around the City! More details are on page 7.

November will bring with it more than darker days and cozy nights. We begin with a bus trip to the Mansfield Reformatory, welcome half the City on Election Day (remember to vote!), host our annual Veteran’s Day lunch, and join with the aforementioned group for the Mayor’s Action Network Service Day. And that’s just the first week and a half! We will also invite our friends from Perry for a day of trivia, lunch (open to all, free for new members!), and chair volleyball. A trip to the Morgan Conservatory and a special art workshop start to wind down the month.

Membership for 2024 is now open! We had just under 700 members here at the Kirtland Senior Center in the last year, and are always excited to welcome new people as part of our community. A special thank you to all in City administration who work together to make this a family. The finance office, Mayor, City Council and Clerk, and Police, Fire, and Public Works departments all collaborate to make this City the best it can be for you. It tends to be a daunting and thankless task, and they are appreciated!

We have several chances to give back to the community who gives so much to us. Check out page 9 for information of donating to the Meals on Wheels Blizzard Bags, as well as the American Legion gifts for military and the Kirtland Area Service Council holiday drive. The generosity of this Kirtland family cannot be overstated, and I thank you in advance for supporting these important causes.

Finally, the Christmas party will be held on Wednesday, December 13. Make sure to sign up early - this event always sells out!
~ Teresa

By the way, the above picture is me being incredibly excited to sit in the rain to watch my six-year-old nephew play soccer. In the rain. The cold rain.

CHAIR YOGA

Our yoga instructor, Anne Owens, teaches a chair yoga class every Friday. This class is a gentle yoga class with an emphasis on stretching and strengthening movements while seated in a chair. A portion of class will provide instruction on the option to use a chair for support with select standing postures. This class finishes with a seated meditation and breathing practices. It will be on Fridays at 10:30 am and costs \$12 for a four-week session or \$3/class.

CHESS CLUB

Are you a chess player? Do you want to learn how to play chess? We meet weekly on Thursday mornings at 10:00 am - 12:00 pm. All levels are welcome and no registration is necessary!

CARDIO DRUMMING

Our fantastically fun (and sometimes loud) cardio drumming class continues every Friday. Due to popular demand and thanks to the flexibility of our instructor Cheryl, the class has been moved to 11:45 am. As always, if you have never tried a class, the first is free.

BINGO

We are playing Bingo every Tuesday! Bingo will be held in the Sunflower Room at 12:00. There is no cost to play and everyone is invited.

PIANO LESSONS

Sounds Inspirations Music Therapy provides 30 minute individual private piano lessons tailored to the learning styles of the adult students. Students are welcome to bring their own music to lesson. You must sign up for two classes a month. The cost is \$34 per month. Please contact the front office if you are interested in taking lessons. The next lessons will be held on November 7 and 21 between 9:00 am - 1:00 pm. Right now, we are looking to perhaps add a second session of classes if there is enough interest. The wait list is available at the front desk.

STRENGTH TRAINING

Our fantastically fantastic Strength Training instructor, Nancy, has added a Friday class! Thanks to the flexibility of the yoga classes (no pun intended), Nancy will now be offering classes on the first and third Fridays of the month at 10:30. Check the calendar for any changes in schedule.

BEGINNER, OPEN, AND ADVANCED PICKLEBALL

Everyone is always welcome to drop-in to pickleball, but here are a few guidelines to help you out.

Our schedules are set for a reason, and we ask that you **do NOT ENTER the gym** until the assigned time. Additionally, we ask that you **LEAVE the gym** at the scheduled time.

Open Pickleball is 10:00 am - 1:00 pm every weekday (except for Tuesday, when it runs from 11:30 am - 2:30 pm). We ask for patience as you wait for your turn to play! This is open to ALL levels.

Beginner Pickleball is for those who are just starting out or would enjoy a more comfortable level of play. While anyone can come, expect that the competition level will be more casual. More experienced players are welcome to come out and offer some wisdom and guidance! Beginner hours are on Tuesdays from 2:30 - 3:30 pm and follow Thursday lessons (see page 7 for more details) from 2:00-3:30 pm.

Advanced Pickleball is held Tuesdays and Thursdays from 8:30 - 9:30 am. This is an opportunity for our more seasoned players to play more competitively. If you join us, get ready for great shots and fast games!

Outdoor Courts are STILL OPEN (as of publication)! Please note that the courts are available on a first come-first served basis. If there are people waiting to play, please be courteous and share the courts. Senior Center members have priority from 10:00 am - 1:00 pm each weekday. The courts are generally closed for the season in November, weather-dependent.

MYSENIORCENTER SIGN-IN

If you've been to the Center in the past few months, you'll notice that our now-not-as-brand-spanking-new MySeniorCenter sign in system is up and running! Make sure to head over to the front desk to grab your key card, and then check in for whatever you're doing whenever you're doing it. Thank you to the Lake County Commissioners Office for supplying us with this new resource. Not only does this eliminate paper sign-ins, but also allows us to collect data on how our Center is being used and when.

THE SENIOR CENTER WILL BE CLOSED:

**Gym will be closed for voting on
Tuesday, November 7**

**Friday, November 10 (Veteran's Day)
Thursday, November 23 (Thanksgiving)
Friday, November 24 (Thanksgiving)**

Just a gentle reminder that the polls will be open this November 7.
We encourage you - wherever you live -
to go out and make your voice heard!

BUS TRIPS

Ohio State Reformatory - Friday, November 3

Jump on the bus for a trek down to Mansfield! We will be doing self-guided tours of the Reformatory, with audio included. We will leave the Center at 8:30 am and get back around 6:00 pm. Cost is \$30 per person and includes the bus and tickets to the Reformatory. We will also stop for lunch (on your own) in downtown Mansfield. No trip down 71 is complete without a visit to Grandpa's Cheese Barn, so you best believe that will happen too!

Morgan Conservatory - Tuesday, November 14

DID YOU KNOW that the Morgan Conservatory is the largest art center in the country dedicated to papermaking, book arts and letterpress printing and to cultivating the talents of established and emerging artists? Betcha didn't. An international destination, the Morgan Conservatory is a working studio, gallery, gathering place for the community, educational hub and purveyor of some of the finest handmade papers in the world. And it's right here in Cleveland! This trip will include both a tour of the studios and facilities as well as a hands-on workshop. It's gonna be cool. This is a limited trip, so make sure to get signed up ASAP. Tickets are \$30 each, which includes the bus, the tour, and the workshop. We will meet at the Center at 12:30pm and get back to Kirtland around 4:00 pm.

Cleveland Food Bank - Monday, December 4

We are fortunate to have the opportunity to help others during this holiday season. We will be headed down to the Cleveland Food Bank to volunteer at the start of December. Leaving the Center at 8:15, we will return around 11:30. The only cost for this trip is \$5/person. Please RSVP online or at the front desk by November 27. This trip is EXTREMELY limited!

Burton Holiday Hoopla - Thursday, December 14

What better way to celebrate the cold than to enjoy warm? We will leave Kirtland around 11:30 and travel south to the magical wonderland that is Burton. Quintealia's Tea Parlor specializes in teas, scones, savories, and sweets in their antique furnished 1890's historical home, decorated for Christmas. Lunch selections will be available to choose by the first week of December and the cost will be on your own. We will also stop at Sunrise Barn, which is a barn gift shop offering gourmet food items, in-season produce, and unusual gift items. Cost is \$5/person, and tickets are limited!

**Please remember that all of our bus trips are for Senior Center members only.
No reservations will be taken after the cut-off date.**

PAYMENT IS DUE AT THE TIME OF THE RESERVATION

BOOK CLUB - THURSDAY, NOVEMBER 16 @ 11:00 AM

Now a show on Apple+, "Lessons in Chemistry" was one of the most popular books of 2022. Chemist Elizabeth Zott is not your average woman. In fact, Elizabeth Zott would be the first to point out that there is no such thing as an average woman. But it's the early 1960s and her all-male team at Hastings Research Institute takes a very unscientific view of equality. Elizabeth Zott finds herself not only a single mother, but the reluctant star of America's most beloved cooking show Supper at Six. Elizabeth's unusual approach to cooking proves revolutionary. But as her following grows, not everyone is happy. Because as it turns out, Elizabeth Zott isn't just teaching women to cook. She's daring them to change the status quo.

Hearing loss can occur naturally due to age, but it can also be caused by other health reasons that may surprise you. KIWANIS CITIZEN OF THE YEAR

Kirtland Kiwanis is searching for our 2023 Citizen of the Year. If you know of a worthy candidate and would like to make a nomination, go to your November Kirtland Chronicle to view the requirements, and make your nomination.

FROM THE SENIOR BOARD

October, falling leaves, cooler temperatures, and usually the first day hint of snow. I hope the end of the month does not follow the usual pattern I just described.

November plans include our annual Veterans Day/Thanksgiving lunch (Thursday, November 9). If you are a member and a veteran the senior board covers the cost of the meal. The rest of us pay our usual \$8. We honor our veterans for their service, and then enjoy our family meal. Plan to attend.

We also have two bus trips planned this month, with limited seating on both. The first trip is the old Mansfield Reformatory. This famous site was featured in the filming of Shawshank Redemption. It is a great way to see what old prisons looked like. The second trip is a tour of the Morgan Conservatory, and includes a paper marbling workshop. This trip is almost sold out, so make sure to sign up!

At today's Senior Board meeting we started discussions on the annual Christmas Luncheon. Reservations are now being accepted. We advise you to sign up early, as this event generally sells out!

I hope this finds you well, and out and about. If your driving by stop in! The coffee is always on.
Best, Dave

COMMUNITY NEWS

PHONES DOWN: IT'S THE LAW.

Six months ago, Ohio passed a texting and driving law that prohibits people from holding a cell phone or electronic device in your hand, lap, or other parts of the body while driving on Ohio roads. When passed, the legislature allowed a six-month grace period, in which police could stop people for texting and driving. However, instead of a citation, officers were only to issue a warning. Effective October 5th, the grace period has ended and police can now treat this law as a primary traffic offense. A primary traffic offense is any traffic violation that allows an officer to pull over a vehicle and issue the driver a citation. A secondary traffic offense is an act that can only be charged when a driver has already been lawfully stopped for primary traffic offense.

There has been some confusion about what is permissible and constitutes a violation of this law. The law itself sounds pretty cut and dry, but there are exceptions. What you need to know is that drivers over 18 years old can make or receive calls via hands-free devices, including: speakerphone, earpiece, wireless headset, electronic watch, connecting phone to vehicle.

In most cases, anything more than a single touch or swipe is against the law. What's off limits includes: dialing a phone number, sending a text message, updating or browsing social media, video calls or FaceTime, browsing the Internet, watching videos, playing games, recording or streaming video.

You can listen to audio streaming devices or use navigational equipment as long as they are turned on prior to getting on the road or use a single touch swipe to activate, modify, or deactivate them. Drivers under the age of 18 are restricted from using devices in any way, including hands free features.

There are some exemptions for the general public that include: drivers reporting an emergency to law enforcement, a hospital, health care provider, fire department, or similar emergency entity; drivers holding a phone to their ear only during phone conversations, if the call is started or stopped with a single touch or swipe; drivers holding or using cell phones and other electronic devices while stopped at a traffic light or parked on a road or highway during an emergency or road closure.

This law is important to everyone. Statistics from the Ohio State Highway Patrol reported, "From 2017 through 2021, there were 64,108 crashes in Ohio that involved one or more drivers who were distracted by something within their vehicle. Of these, 206 were fatal crashes that resulted in 226 deaths." I hope this information is helpful to our senior community. If there are any questions, please feel free to talk to an officer when we are walking through the Center or call (440) 256-3336 with questions. We are always happy to help. ~ Chief Brian McCallister

HOLIDAY-TIME SERVICE OPPORTUNITIES

MEALS ON WHEELS BLIZZARD BAG DONATIONS

The Blizzard Bag Food Drive is annual event where the community comes together to donate non-perishable food to help seniors. Our partnership with the Kirtland Senior Center has been a great way for Kirtland seniors to donate food items that will help other Kirtland Seniors who receive Meals on Wheels. Food collected through the annual food drive is packed into a Blizzard Bag. Each Blizzard Bag provides a 2-3 day supply of non-perishable food items for situations when storms, power outages or other events prevent our Meals on Wheels delivery or make it difficult to obtain or prepare food. The bags provide a supply of a few shelf-stable emergency meals to help assure no senior goes hungry during an emergency.

The non-perishable food items that are most needed are single serving and ready to eat items with a pull top. High protein and foods that are a-ready-to-eat meal; such as, peanut butter, canned chicken/tuna, canned soup, chili/pasta, mac and cheese, protein drinks, granola bars, oatmeal or cereal and cheese or peanut butter crackers and granola bars.

The Food Drive collection box will be at the Kirtland Senior Center from November 16 - December 15. We hope you will join us in supporting seniors with a non-perishable food donation this winter season. For more information contact, Linda Llewellyn, Director of Community Programs, at 440-205-8111 ext. 241 or LLlewellyn@Lcco.org.

AMERICAN LEGION BASKETS FOR TROOPS

During November, the American Legion will have a donation basket out for anyone who would like to contribute. These funds go directly to assist the Legion in sending holiday baskets to Kirtland graduates who are on active duty. In addition, if you know of a Kirtland student who is currently serving, please let the front office know so they can be included in the Legion list.

SENIOR CENTER GIVING TREE

This year, we will be gathering gift cards for community members in need. There will be a tree up beginning in November, and we invite everyone to take a tag. Each tag will have a suggestion on it of an appropriate store from which to purchase a gift card. Gift cards will be accepted through the middle of December. These gifts will be included in holiday food baskets for distribution by the Kirtland Area Service Council and to the Kirtland Police and Fire as they distribute according to need throughout the year.

FALL YARD CLEAN-UP - SATURDAY, NOVEMBER 11

On Saturday, November 11, the Mayor's Action Network will be collaborating with faith and civil groups around the City for an entire day of service. As part of this event, we will again be headed out to resident homes for fall yard clean-up. If you are a senior or a veteran who would like some help, please contact Teresa at 440-256-3332 ex. 5 or at tszary@kirtlandohio.com to sign up.

CITY OF KIRTLAND FALL BRUSH PICK-UP

Beginning the week of October 30, the Kirtland Service Department will collect brush throughout the city. The program is intended to assist residents with the FALL clean-up of branches and twigs that have come down from the inclement winter weather. The program is NOT intended to assist with clearing a parcel or substantially clearing trees on a parcel. Weather permitting, City trucks will pass only one time through each ward, so please have your brush and tree limbs out by the start date listed for your ward. Contact the Kirtland Service Department if you have any questions: 440-256-1234 x11 and check out our website for requirements (www.kirtlandohio.com).

2023 Fall Brush Collection Schedule

Wards 1 & 4 – Week of October 30

Wards 2 & 3 – Week of November 6

When the flakes start flying, we bid farewell to some of our regulars at the Center. People have asked for this particular Spotlight a few times, but it always seems to be when this familiar face has flown south for the winter. I thought ahead (a bit) this month, and at long last, I present to you Mr. John Mladi.

Raised in South Euclid, this young man is a product of St. Mary Margaret School, Memorial Junior High School, and Brush High School. After spending two years at Cleveland Community College, he joined the U.S. Army and headed down to Fort Bliss in El Paso, Texas for three years. As a "maintenance man" for the Mobile Missile Unit, he calls his time with the 333rd Artillery "very interesting." I think it's super cool that he got to guard President Johnson's plane when he was on a trip to Juarez, Mexico. Beyond the cultural differences, the environment itself was a shock to the system. Coming from a land of grass, lakes, and trees, the sand and expansive blue skies of Texas was certainly an eye opener. A few days prior to being mustered out (which I had never heard of), he was training on how to bring loads onto flat beds to bring to California before being shipped over to Vietnam. He was fortunate to serve his country in his country, and never had to go overseas.

After his time in the Army, he returned to Cleveland and began working at ATT, where he met his beautiful wife Rosie. They both worked in a private phone test board (which apparently serves larger companies who had their own national phone network). Being the first married couple to work in the same department, there was some concern that it would cause a conflict. Both of their managers wanted to retain them, and John and Rosie they both agreed - they were never married while on the job.

While John stayed on as a technician, Rosie continued her education and moved into management. They both worked holidays (except for New Years!), and vacationed in January, when it was easier to get time off.

This time away always took them south, but both of them prefer to be warm. Although Northeast Ohio is known for its balmy winter month, those trips to Aruba and Jamaica were a welcome respite from the cold reality.

They started looking for a house prior to getting hitched, and found a gem here in Kirtland. They honeymooned in Niagara Falls and moved in the next day. 49 years later and they have yet to change their address. As with most newlyweds, moving all of their things didn't fill a house, and they would spend their weekends at estate sales, especially in the Shaker Heights area. This adventuring resulted in a house that is a conglomerate of different furniture of different styles from different houses.

John retired at 50, and has never looked back. For the past fifteen years, they have truly embraced the warmer lifestyle and spend five months a year in Bonita Springs, Florida. They stay within the same community and divide their time between the Springs (no idea if anyone actually calls it that...), Fort Myers to the north, a Naples to the south. They play pickleball on Tuesdays and Thursdays, and spend their weekends finding and enjoying live music.

At this point in the conversation, I was reminded that we were "cutting into John's pickleball time." He was gracious enough to return to the conversation, where I learned what the life of a retiree looked like. At least in their house. He spends his time working on the yard, coming here to the Center, and just being generally awesome. I'm going to list of bunch of motorcycles he has owned in the past. If you know anything about motorcycles, this is probably super cool. If you don't, it's still cool. He has, at some point, been the proud owner of: a 350 Honda, a Triumph Bonneville, a BSA Lightning, a BSA Thunderbolt, and a BMW 750/5. I probably got a bunch of those wrong, but give me props for trying! Out of all of them, the BMW was his favorite, and he sold it for as much as he paid for it, twenty-five years later.

From the bikes, he moved onto sports cars. The Alpha Romero Spider, Mercury Capri, and now the Mazda MX5 have all called Kirtland home, and if the sun is shining, you better believe that top is down! He and Rosie loved going to classic car shows, but sensibly bring the sedan down south with them in the winter.

John has so many hobbies, he forgets them when asked. He builds clocks!!! WHO DOES THAT? I learned so much from this conversation. I knew what a grandfather clock was, but had never heard of a grandmother or grandchild clock was. Or, for that matter, a banjo or skeleton clock. A cacophony of chimes will greet you in their local abode, and the Florida house probably sounds eerily quiet for those five months.

From reading mysteries to gardening to cooking, this Renaissance man does it all, whether here or in the Sunshine State. If you need suggestions of restaurants, concerts, or wineries, you now know who to ask. A walking Zagat guide, he'll point you in the right direction. That direction tends to be wherever the sun is shining because "it can never be too hot." He wears his pickleball uniform of the famous John Carroll sweatshirt outside in the Florida sun and in the November Center gym.

From the mouth of a seasoned pro, he has some advice for those about to retire. When you contemplate finishing your professional career, consider your strategy as you would another job. What are the benefits, what is your strategy? We all need to work towards staying active, and finding that thing that we enjoy doing. And remember, if that project doesn't get done today, there's always tomorrow. And the tomorrow after that.

John and Rosie will hit the road in a sensible car after Thanksgiving, and we will miss them terribly when they do. Think of them fondly when the snow starts falling. I'm sure they will be thinking of you in the warm sunshine.
