ARTICLE I

PREAMBLE

1.01 This Agreement is hereby entered into by and between the City of Kirtland, hereinafter referred to as the "Employer" and the Ohio Patrolmen's Benevolent Association, hereinafter referred to as the "Union" on behalf of the members of the collective bargaining unit hereinafter referred to as employee(s).

ARTICLE II

PURPOSE AND INTENT

2.01 In an effort to continue harmonious and cooperative relationships with its employees and to insure the orderly and uninterrupted efficient operations of government, the Employer now desires to enter into an agreement reached through collective bargaining which will have for its purposes, among others, the following: 1) To recognize the legitimate interests of the employees of the Employer to participate through collective bargaining in the determination of the terms and conditions of their employment; 2) To promote fair and reasonable working conditions; 3) To promote individual efficiency and service to the citizens of the City of Kirtland; 4) To avoid interruption or interference with the efficient operation of the Employer's business; and 5) To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

ARTICLE III

MANAGEMENT RIGHTS

3.01 Not by way of limitation of the following paragraph, but to only indicate the type of matters or rights which belong to and are inherent to the Employer, the Employer retains the right to: 1) hire, discharge, transfer, suspend and discipline employees; 2) determine the number of persons required to be employed, laid off or discharged; 3) determine the qualifications of employees covered by this Agreement; 4) determine the starting and quitting time and the number of hours to be worked by its employees; 5) make any and all rules and regulations; 6) determine the work assignments of its employees, including an assignment to/from the position of patrol officer and to/from the position of detective; 7) determine the basis for selection, retention and promotion of employees to or for positions not within the bargaining unit established by this Agreement; 8) determine the type of equipment used and the sequence of work processes; 9) determine the making of technological alterations by revising either process or equipment, or both; 10) determine work standards and the quality and quantity of work to be produced; 11) select and locate buildings and other facilities; 12) establish, expand, transfer and/or consolidate work processes and facilities; 13) transfer or subcontract work; 14) consolidate, merge, or otherwise transfer any or all of its facilities, property, processes or work with or to any other municipality or entity or effect or change in any respect the legal status, management or responsibility of such property, facilities, processes or work; 15) terminate or eliminate all or any part of its work or facilities.

3.02 In addition, the Union agrees that all of the functions, rights, powers, responsibilities and authority of the Employer in regard to the operation of its work and business and the direction of its workforce which the Employer has not specifically abridged, deleted, granted or modified by the express and specific written provisions of this Agreement are, and shall remain, exclusively those of the Employer and shall not be subject to the grievance procedure herein contained.

ARTICLE IV

RECOGNITION

4.01 The Employer hereby recognizes the Union as the sole and exclusive bargaining agent with respect to wages, hours and other terms and conditions of employment, as provided by the State Employment Relations Act, for all full-time employees employed and occupying the position of patrol officer and sergeant which shall constitute separate bargaining units, excluding all part-time, seasonal, and temporary employees. All other employees of the Employer are excluded from the bargaining unit. Said recognition shall continue for a term as provided by law. The parties agree that this Agreement is a multi-unit Agreement recognizing patrol officers and sergeants. Pursuant to O.R.C. 4117.01, the recognized full-time positions constitute separate bargaining units by law.

4.02 The Employer will furnish the OPBA with a list of all employees in the classifications covered by this Agreement indicating their starting date of employment. Such list will be furnished no less than annually and will be supplemented by the names of all new employees as hired.

ARTICLE V

NON-DISCRIMINATION

5.01 The Employer and the Union agree not to discriminate against any employee(s) on the basis of race, color, religion, creed, national origin, age, sex, handicap, or sexual orientation.

5.02 The Union expressly agrees that membership in the Union is at the option of the employee and that it will not discriminate with respect to representation between members and nonmembers.

ARTICLE VI

DUES DEDUCTIONS

6.01 During the term of this Agreement, the Employer shall deduct regular monthly Union dues from the wages of those employees who have voluntarily signed dues deductions authorization forms permitting said deductions. The dues deductions shall be made from the first paycheck of each month. If the employee's pay for that period is insufficient to cover the amount to be deducted, the Employer will make the deduction from the next paycheck, providing the employee's check is sufficient to cover the deduction.

6.02 The Employer agrees to supply the Union with a list of those employees for whom dues deductions have been made.

6.03 A check in the amount of the total dues withheld from those employees authorizing a dues deduction shall be tendered to the Treasurer of the Union within thirty (30) days from the date of making said deductions.

6.04 The Union hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of its obligations under this Article and the Union shall indemnify the Employer for any such liabilities or damages that may arise.

ARTICLE VII

AGENCY SHOP

7.01 All members of the bargaining unit, as identified in Article IV of this Agreement, shall either (1) maintain their membership in the OPBA, (2) become members of the OPBA, or (3) pay a service fee to the OPBA in an amount equivalent to the annual dues for membership in the OPBA, as a condition of employment, all in accordance with Ohio Revised Code Section 4117.09.

7.02 In the event that a service fee is to be charged to a member of the bargaining unit, the Employer shall deduct such fee in the same manner as dues are deducted as specified in Article VI of this Agreement, entitled "Dues Deduction".

ARTICLE VIII

NO-STRIKE

8.01 The Union hereby affirms and agrees that it will not, either directly or indirectly, call, sanction, encourage, finance or assist in any way, nor shall any employee instigate or participate, either directly or indirectly, in any strike, slowdown, walkout, workstoppage, or other concerted interference with or the withholding of services from the Employer.

8.02 In addition, the Union shall cooperate at all times with the Employer in the continuation of its operations and services and shall actively discourage and attempt to prevent any violation of this article. If any violation of this article occurs, the Union shall immediately notify all employees that the strike, slowdown, work stoppage, or other concerted interference with or the withholding of services from the Employer is prohibited, not sanctioned by the Union and order all employees to return to work immediately.

8.03 It is recognized by the parties that the Employer is responsible for and engaged in activities which are the basis of health and welfare of its citizens and that any violation of this article would give rise to irreparable damage to the Employer and the public at large. Accordingly, it is understood and agreed that in the event of any violation of this article, the Employer shall be entitled to seek and to obtain immediate injunctive relief, along with the Union holding the Employer harmless from any and all costs arising from the violation of this article.

8.04 It is further agreed that any violation of the above shall be automatic and sufficient grounds for immediate discharge or other disciplinary action.

8.05 The Employer shall not lock out any employee for the duration of this Agreement.

ARTICLE IX

PROBATIONARY PERIOD

9.01 All newly hired members of the bargaining unit will be required to serve a probationary period of twelve (12) months. During such period, the Employer shall have the sole discretion to discipline or discharge such employee(s) and any such action shall not be appealable through any grievance or appeal procedure contained herein, to the State Personnel Board of Review or to any Civil Service Commission.

9.02 All newly promoted employees will be required to serve a promotional probationary period of one (1) year. During such period, the Employer shall have the sole discretion to demote such employee(s) to his previous position and any such demotion shall not be appealable through any grievance or appeal procedure contained herein to the State Personnel Board of Review or to any Civil Service Commission.

9.03 If any employee is discharged or quits while on probation and is later rehired, he shall be considered a new employee and shall be subject to the provisions of paragraph .01, above.

ARTICLE X ASSOCIATION REPRESENTATION

10.01 The parties recognize that it may be necessary for an employee representative of the OPBA to leave a normal work assignment while acting in the capacity of representative. The OPBA recognizes the operational needs of the Employer and will cooperate to keep to a minimum the time lost from work by representatives. Before leaving an assignment pursuant to this Section, the representative must obtain approval from the officer in charge of the shift. The Employer will compensate a representative at the normal rate for the time spent in the good faith processing of grievances, and at any meetings at which the employee requests a representative to be present. The processing of grievances shall not include investigation of grievances.

ARTICLE XI EMPLOYEE RIGHTS

11.01 An employee has the right to the presence and advice of an OPBA representative at all disciplinary interrogation.

11.02 Before an employee may be charged with any violation of the Rules and regulations for a refusal to answer questions or participate in an investigation, he shall be advised that his refusal to answer such questions or participate in such investigation will be the basis of such a charge.

11.03 Questioning or interviewing of an employee in the course of an internal investigation will be conducted at hours reasonably related to the employee's shift, unless operational necessities require otherwise. Interrogation sessions shall be for reasonable periods of time and time shall be provided for rest periods and attendance to physical necessities.

11.04 An employee will be informed of the nature of any investigation of himself prior to any questioning. If the employee being questioned is, at that time, a witness and not under investigation, he shall be so advised.

11.05 An employee may request an opportunity to review his personnel file, add memoranda to the file clarifying any documents contained in the file and may have a representative of the OPBA present when reviewing his file. A one-time request for copies of items included in the file shall be honored by the employee. All items in an employee's file with regard to complaints and investigations will be clearly marked with respect to final disposition.

11.06 All complaints by civilians against an employee of the City shall be reduced to writing by the person receiving such complaint, and signed by the complaining witness if possible and immediately transmitted to the Chief of Police or his designee.

Should the complaint be resolved, it shall be so noted on the complaint.

In the event a citizen complaint shall result in formal disciplinary action against an employee, said employee may, upon written request, be given a copy of the complaint, and the name of the complainant, if available. Employees shall have the right to respond to citizen complaints or adverse documents by placing a written response in the personnel file. Such responses must be made within ten (10) days of a document placed in the personnel file by the Employer.

11.07 Records of disciplinary action, not resulting in time off, which are two (2) years old, shall not be used against an employee in a future disciplinary action so long as there has been no occurrence of a similar type incident within the two (2) year period.

11.08 All newly hired employees must complete a structured training program and have written evaluations. Annually thereafter, each employee shall be paid to attend a minimum of twenty-four (24) hours of training.

11.09 The Employer will explain to all bargaining unit employees new policies, Procedures, rules or regulations prior to implementation.

ARTICLE XII DISCIPLINE

12.01 A non-probationary employee who is suspended, demoted or discharged shall be given written notice regarding the reason(s) for the disciplinary action within a reasonable time after the Employer has knowledge of the conduct for which an employee is being disciplined. In the case of suspension or discharge, the employee has the right to confer with a representative of the OPBA.

12.02 Disciplinary action taken by the Employer shall only be for just cause.

12.03 Any disciplinary suspension may be grieved through arbitration as set forth in Article XXXIX. Reprimands are grievable only through the last step of the Grievance Procedure. The decision of the Mayor at that point shall be final and binding.

ARTICLE XIII DUTY HOURS

13.01 The regular, but not guaranteed, work period for all sworn police officers covered by this Agreement will be forty (40) hours per work week.

13.02 Employees may switch schedules or "swap" shifts with one another, with the advance written approval of the Chief of Police. The Chief or his designee must be notified not

less than three (3) days prior to the proposed change. Switching or swapping of shifts shall not create or cause overtime.

13.03 An employee's work week shall normally consist of five consecutive days on duty and two consecutive days off duty, unless otherwise agreed by the employee. The Employer reserves the right upon exceptional or emergency situations to split employee's days off.

ARTICLE XIV OVERTIME PAY

14.01 Overtime. All police officers, for work actually performed in excess of forty (40) hours in the employees' regular work period, when approved of by the Chief of Police or immediate supervisor, shall be compensated at the rate of one and one-half (1½) times the employee's regular hourly rate. For purposes of overtime, sick time shall not be construed as time worked, however, vacation leave, holiday and compensatory time shall count as time worked.

14.02 12 hour shift schedule. Should the department go to a 12 hour shift schedule then the following shall apply: All police officers, for work actually performed in excess of eighty (80) hours in the employees' 2 week period, when approved by the Chief of Police or immediate supervisor, shall be compensated at the rate of one and one-half (1½) times the employee's regular hourly rate. For purposes of overtime, sick time shall not be construed as time worked, however, vacation leave, holiday and compensatory time shall count as time worked. (Also see memorandum of understanding)

14.03 Compensatory Time. Members of the bargaining unit who have earned overtime or who have appeared in court shall have the option to take the time earned as paid overtime or as compensatory time. Compensatory time shall be paid at the rate of time and one half (1½) the base rate of pay. An employee shall not accumulate more than one hundred (100) hours of compensatory time. At the end of the fiscal year, an employee may cash in his compensatory time for pay up to one hundred (100) hours. Compensatory time use shall not be denied when the request is made at least 24 hours prior to the date requested so long as the request, at the time made, does not create a staffing shortage and require the use of overtime to fill the vacancy or create an undue burden on the police department. The requirements outlined in this section do not prevent the Chief of Police or his designee from granting compensatory time use under exigent circumstances.

ARTICLE XV COURT TIME AND CALL-IN (SHOW UP) PAY

15.01 Any employee who must appear in court in a capacity related to his official duties as an employee in the City of Kirtland, prior to or after leaving work, or on a day when he is not scheduled to work, shall be compensated at a minimum of four (4) hours, for such court appearance at the rate of one and one-half (1½) times his regular hourly rate.

15.02 In the event the court time precedes or abuts the employee's shift, he shall be paid the premium rate only up to the commencement of his shift. He shall then revert to his regular hourly rate.

15.03 Any employee who must appear in any court may use a City vehicle for transportation purposes to and from the court appearance or may use his personal vehicle for court appearances. An employee who elects to use his personal vehicle shall not be compensated a mileage allowance inasmuch as the employee chose not to use a City vehicle for such court appearance.

15.04 All employees will receive a minimum two hours, at the overtime rate, which converts to three (3) hours of pay or compensatory time for all call-ins, show-ups, or call-backs. If the call-in/call-back lasts longer than two hours, the actual hours worked will be documented and converted to overtime or compensatory time at the employee's election.

ARTICLE XVI HOLIDAYS

16.01 Each member of the bargaining unit shall be entitled to and may take off, as scheduling permits, one hundred twenty (120) holiday hours each year which shall be the equivalent of ten holidays of twelve hour shifts. A member who wishes to use a holiday shall submit a written request to the Chief who shall respond within one (1) week. If an employee retires, quits, or is terminated during the year, he shall only be entitled to the holidays that have passed, as stated in Section 16.02 prior to his last date of employment

16.02 Any employee who actually works on the City's holidays of New Year's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day, Friday after Thanksgiving, Christmas Eve or Christmas shall receive one and one-half (1½) times his/her regular rate of pay for all hours worked on such holidays. Anytime an employee works on a designated holiday and earns overtime for those work hours, then that employee will be paid double-time or two (2) times his/her regular rate of pay for all applicable hours worked. Double-time pay shall also apply to employees who are "called-in," pursuant to Article XV, to work on a designated holiday.

16.03 Employees have the responsibility of informing the City of a request for cash payment within thirty (30) days of the holiday. If such designation is not made, the employee will automatically be granted compensatory time.

ARTICLE XVII VACATIONS

17.01 Each full-time employee shall earn and be entitled to paid vacation in accordance with the following schedule:

<u>Upon completion of</u>	<u>Days</u>
One (1) year	2 weeks
Five (5) years	3 weeks
Fifteen (15) years	4 weeks
Twenty (20) years	5 weeks

17.02 New Employee Hires. Upon the completion of ninety (90) days of employment with the Department, each full-time employee shall be entitled to be paid for forty (40) hours of

vacation time off. Upon the completion of one hundred eighty (180) days of employment with the Department, each full-time employee shall be entitled to be paid for an additional forty (40) hours of vacation time off. Any vacation time earned pursuant to this section that is not used prior to the completion of the employee's first year of full-time service shall be forfeited. New employee hires shall not be permitted to be paid for unused vacation time off that was earned pursuant to this section.

17.03 Earned vacation shall be awarded on the employee's anniversary date in accordance with the above schedule, provided the employee is employed by the Employer at that time.

17.04 Employees will choose vacation dates by seniority. Vacation time off shall not be denied when the request is made at least 24 hours prior to the date requested so long as the request, at the time made, does not create a staffing shortage and require the use of overtime to fill the vacancy or create an undue burden on the police department. The requirements outlined in this section do not prevent the Chief of Police or his designee from granting vacation time off under exigent circumstances.

17.05 An employee who has earned vacation time by reason of being employed in this department shall be able to transfer his vacation time to another department should he elect such a transfer.

17.06 Vacation time shall not be carried over from one year to another without express written authorization of the Employer. Any vacation time that is unused within the year granted, shall be deemed forfeited unless authorized for approved carryover.

17.07 Any employee of the Employer who has accumulated and earned vacation time from being employed by the State of Ohio or any other political subdivision of the State of Ohio and who has become employed by the Employer within one (1) year from his termination from such other public employer shall be allowed to transfer said vacation time and credit to his accumulated vacation time with the Employer, not to exceed three (3) years.

ARTICLE XVIII SICK LEAVE

18.01 Sick leave shall be defined as an absence with pay necessitated by: 1) illness or injury to the employee; 2) exposure by the employee to a contagious disease communicable to other employees; and/or 3) serious illness, injury or death in the employee's immediate family.

18.02 All employees shall earn sick leave at the rate of four and six-tenths (4.6) hours for every eighty (80) hours in a paid status and may accumulate such sick leave to an unlimited amount, provided no employee can earn or accrue more than one-hundred twenty (120) hours in any calendar year.

18.03 An employee who is to be absent on sick leave shall notify the Employer of such absence and the reason therefore at least two (2) hours before the start of his work shift each day he is to be absent.

18.04 Sick leave may be used in segments of not less than one (1) hour.

18.05 Before an absence may be charged against accumulated sick leave, the Employer may require such proof of illness, injury or death as may be satisfactory to him, or may require the employee to be examined by a physician designated by the Employer and paid by the Employer. In any event, an employee absent for more than three (3) consecutive days may be required to supply a physician's report to be eligible for paid sick leave.

18.06 If an employee fails to submit adequate proof of illness, injury or death upon request, or in the event that upon such proof as is submitted or upon the report of medical examination, the Employer finds there is not satisfactory evidence of illness, injury or death sufficient to justify the employee's absence, such leave may be considered an unauthorized leave and shall be without pay.

18.07 Any abuse or patterned use of sick leave shall be just and sufficient cause for disciplinary action.

18.08 The Employer may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to duty, to be examined by a physician designated and paid by the Employer, to establish that he is not disabled from the performance of his duties and that his return to duty will not jeopardize the health and safety of other employees.

18.09 When the use of sick leave is due to illness or injury in the immediate family, "immediate family" shall be defined to only include the employee's spouse, children and parents residing with the employee. When the use of sick leave is due to death in the immediate family, "immediate family" shall be defined to only include the employee's parents or parents-in-law, spouse, child, grandchild, brother and sister, or person residing in the household to whom the employee is in loco parentis.

18.10 Upon the retirement of an employee who has not less than ten (10) years of continuous employment with the Employer and who has qualified for retirement benefits from a State of Ohio public employee retirement system, such employee shall be entitled to receive a cash payment equal to his hourly rate of pay at the time of retirement multiplied by one-third (1/3) the total number of accumulated but unused sick hours earned by the employee, as certified by the Employer, providing that such resulting number of hours to be paid shall not exceed four hundred and eighty (480) hours. Any remaining sick hours after the 480 hour conversion payout shall be paid to the retiring officer at the employee's current rate of pay per each additional eight hours (1 day) of sick time.

18.11 Any employee who utilizes twelve (12) hours or less of sick leave in a calendar year shall receive an additional personal day in the amount of 12 hours in the subsequent calendar year. Such personal day must be utilized by the employee with the approval of the Employer.

18.12 Sick Leave Buy Back. In December of each year, for any employee (a) who has accumulated more than nine hundred sixty (960) hours of sick leave and (b) has used less than sixty (60) sick hours during the preceding twelve-month period from the second pay period in December for the previous year through the end of the first pay period of December for the current year, the City will, at the

employee's option, buy back up to sixty (60) sick hours so that the total of sick hours used or paid for that period totals to sixty (60). In other words, the following schedule will apply for such employees:

<u>Sick Hours Used From</u>	<u>Sick Hours City</u>
<u>Dec. 1 to Nov. 30</u>	<u>Will Buy Back</u>
0-12	60
13-24	48
25-36	36
37-48	24
49-60	12
61+	0

ARTICLE XIX FUNERAL LEAVE

19.01 All full-time employees shall be entitled to funeral leave, not deducted from sick leave, of three (3) days, for each death in the employee's immediate family.

19.02 Immediate family shall be defined to the same parameters as in Sick Leave, Article 18.09.

ARTICLE XX PERSONAL SICK DAY

20.01 All full-time employees shall be entitled to one (1) personal sick day of twelve hours, per calendar year, to be deducted from the employee's accumulated sick leave. This personal sick day shall not count or be deducted as sick leave used for purposes of the bonus provision set forth in Section 18.11 provided the employee gives at least 14 days notice for use and obtains approval for the personal sick day. Personal days shall not, if not used, carry over to the succeeding year.

ARTICLE XXI INJURY LEAVE

21.01 When an employee is injured in the line of duty while actually working for the Employer, he shall be eligible for paid leave, not to exceed sixty (60) calendar days from the injury date, providing that he files for Workers' Compensation and signs a waiver assigning to the Employer those sums of money he would ordinarily receive as weekly compensation as determined by law for that number of weeks he receives benefits under this Article. Such leave shall commence after the employee utilizes his sick leave for the first five (5) work days. Sick leave will be reimbursed to the extent of the Workers' Compensation benefits received by the Employer.

21.02 If at the end of this sixty (60) calendar day period, the employee is still disabled, the leave may, at the Employer's sole discretion, be extended for an additional sixty (60) calendar day period.

21.03 The Employer shall have the right to require the employee to have a physical exam by a physician appointed and paid by the Employer, resulting in the physician's certification that the employee is unable to return to work due to the injury as a condition precedent to the employee receiving benefits under this Article. The designated physician's opinion shall govern whether the

employee is actually disabled or not, but shall not govern whether the Employer shall extend the period of leave.

ARTICLE XXII JURY DUTY

22.01 Any employee who is called for jury duty, either Federal, County or Municipal, shall be paid his or her regular salary provided the employee signs over to the City any fees received for such jury duty.

ARTICLE XXIII INSURANCE

23.01 Effective January 1, 2009, the Employer shall continue to provide employee health insurance through the Lake County consortium of participating public entities. The Employer shall be subject to the health insurance plan(s) and plan documents as determined by Lake County. The Employer shall have the right to change insurance carriers or coverage so long as employees retain comparable coverage of the Lake County Plan(s) at the time the Employer opts out of the Lake County consortium.

23.02 Effective January 1, 2024 and for all times thereafter, all employees shall pay twelve percent (12%) of the health care premium up to a maximum of three hundred (\$300.00) dollars per month through payroll deduction.

ARTICLE XXIV LONGEVITY

24.01 All employees shall receive longevity payments after completion of the required length of continuous full-time service, pursuant to the following schedule:

<u>After completion of</u>	
5 years	\$ 550.00
10 years	\$1,100.00
15 years	\$1,650.00
20 years	\$2,100.00

24.02 Employees shall be paid longevity payments in one lump sum according to the schedule in 24.01 in the pay period covering his/her employment anniversary.

ARTICLE XXV WAGES

The supervisor will schedule an informal meeting with the employee and his representative, if the representative's presence is requested by the employee, within five (5) days of the date of the notice by the employee. The supervisor and the employee, along with the employee's representative, if his presence is requested by the employee, will discuss the issues in dispute with the objective of resolving the matter informally.

Step 2:

The Chief of Police shall give his answer to the aggrieved party, with a copy to the aggrieved party's representative, if any, within five (5) days of the receipt of the written grievance.

Step 3:

If the aggrieved party is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the Mayor within five (5) days from the date of the rendering of the decision in Step 2. Copies of the written decisions shall be submitted with the appeal. The Mayor or his designee shall convene a meeting within ten (10) days of the receipt of the appeal. The meeting will be held with the aggrieved party, his representative, if any, and any other party necessary to provide the required information for the rendering of a proper decision. The Mayor or his designee shall issue a written decision to the employee, with a copy to the employee's representative, if any, within fifteen (15) days from the date of the meeting. Within this ten (10) day period, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the arbitrator shall be selected in accordance with the rules and regulations of the Federal Mediation and Conciliation Service (FMCS), and the arbitrator ultimately designated shall hear the grievance in question.

42.02 The arbitrator shall have no power or authority to add to, subtract from, or in any manner alter the specific terms of this Agreement, or to make any award requiring the commission of any act prohibited by law, or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.
