FALL 2014

A Message from Mayor Mark A. Tyler

As Kirtland residents, we have a multitude of reasons to be proud of our city. There is, however, a significant issue that is of concern for both residents and visitors. Many of our roads are at various stages of disrepair and can pose a significant safety hazard if left unaddressed. In addition, poor road conditions can prevent Kirtland from competing for businesses, jobs and investments. To address this critical issue, and to help ensure increased safety for all, a five-year, 2.0 mill levy will be placed on the November ballot.

Over the years, state and local funding has dramatically decreased, severely limiting our ability to maintain an effective road paving program. If we are to fix this problem and secure our community's vision, it is going to be up to us to do so. It has been nearly 20 years since our last comprehensive road paving program, and without this levy our roads will continue to worsen.

Through the passing of this issue, our city can address the needs of more than half of our roads over the next five years. We will also gain the ability to leverage federal and state dollars for additional community improvements. In short, improved roads will provide safe and reliable access to our community, help attract and retain families and employers, and add to Kirtland's pride.

Based on feedback that residents have provided through phone surveys and general discussions, there is recognition of a need for improvement. You will be hearing more about the road levy and how important it is to the future of our city in the coming months. I hope you will join me in making this important investment in our community.

Kirtland gets Auditor of State Award

Based on Kirtland's recently completed financial audit, the City has received the Ohio Auditor of State Award. The award is presented for exemplary financial reporting in accordance with Generally Accepted Accounting Principles (GAAP) for the year 2013. The Kirtland Finance Department team is headed by Keith Martinet. Finance staff members are Julie Loxterman and Chris Speece.

A Picture is Worth a Thousand Words...

- The city has no existing road levy.
- The 2-mill road levy will only last for five years.

What will the levy fund?

- The Kirtland Public Works Department has assessed all roads in Kirtland and developed a five-year repaving and repair plan.

Focus on Old South Cemetery

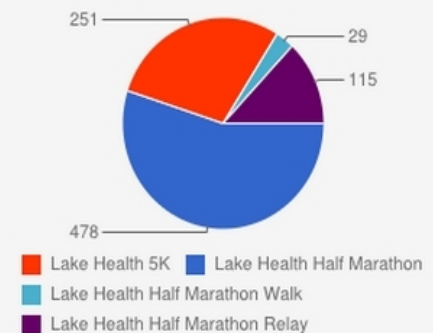

It is common knowledge that Kirtland is home to a number of historic buildings that are part of its rich heritage and confirm the City's early roots. A lesser known testament to the City's historical legacy is the four cemeteries located in Kirtland. They are the Kirtland North Cemetery at 9016 Chillicothe Road, the Kirtland South Cemetery at 10444 Chillicothe Road, the Williams Cemetery at 7450 Euclid Chardon Road and the Brown Cemetery at 9160 Euclid Chardon Road. Kirtland South Cemetery, the oldest of the four cemeteries, dates from 1812. The cemetery was part of a parcel of land purchased by Christopher Crary. According to a Lake County Historical plaque located within the cemetery, Crary built a small cabin near the northwest corner of the cemetery and moved his family here from Massachusetts in 1811. Crary and his family became the first permanent settlers in what was to become the City of Kirtland. During the winter of 1812, Crary's three year old granddaughter, Rebecca, died and was buried south of the cabin. There is a small, illegible, marble headstone in the family plot that is believed to mark her grave. When Crary moved away from Kirtland, he donated approximately two acres of land surrounding his family plot to Kirtland Township to be used as a cemetery. Additional property was purchased during the 1930's and in 1972 increasing the size of the cemetery to approximately six acres today. There are over 2,000 burials in Kirtland's historic South Cemetery and approximately 1,500 grave spaces still available for purchase. There is also a one acre parcel that will provide an additional six hundred grave spaces once developed. The photo depicts the Old South Cemetery sign that was recently updated to designate the cemetery as an historic site. To inquire about purchasing cemetery lots in any of Kirtland's cemeteries, please contact Larry Spence, Cemetery Superintendent, at 440-256-1234.

The majority of the athletes were from Ohio, but there was representation from Alabama, Arizona, Illinois, Kentucky, Louisiana, Michigan, New Jersey, New York, Pennsylvania, South Carolina and Virginia. Two Kirtland Veterans Honored Ray Halsey and John Armstrong

On May 12, 2014, Ray Halsey (far right) received medals he earned for his participation in the Army during the Korean conflict. Congressman Joyce (second from left) was instrumental in assisting Mr. Halsey in obtaining these medals and was on hand to award them to Mr. Halsey. Mayor Tyler (far left) opened the ceremony at the Veteran's Memorial Park and congratulated Mr. Halsey, a long-time Kirtland resident, on his military achievements.

In April of this year, John Armstrong, a World War II veteran who fought in the Pacific Theater, traveled to Camp Lejeune as the guest of Akron's Rolling Thunder chapter. Rolling Thunder, a national advocacy group that assists veterans, arranged John's transportation to the event. John was honored at this special memorial reunion and shared his war experiences with other veterans as well as members of the New York Port Authority.
