A Message from Mayor Mark A. Tyler

It's official! Spring has returned to the City of Kirtland!

On behalf of the City, I would like to once again express my heartfelt gratitude and sincere appreciation to the residents of Kirtland for the passage of our recent road levy. Improved roads enhance our ability to further pursue economic development and provide increased mobility to residents and visitors. We are committed to enhancing the safety and beautification of the City of Kirtland while protecting and developing the future of our community.

Kirtland PD Wins AAA Traffic Safety Award

We have a fantastic Police Department dedicated to Kirtland. Over the past years the efforts of their work have been rewarded by the American Automobile Association 13 times with 5 Gold Awards and 8 Platinum Awards for Community Traffic Safety. The activities of many City Departments have helped to reduce accidents and make our streets safer. Examples of the programs and efforts that have improved our safety are the Lakeland College intersection improvements and turn lanes, culverts filled and piped to prevent rollover accidents, campaigns such as "Click it or Ticket" to encourage seat belt use and "Drive Sober or Get Pulled Over," motorcycle awareness and Safety Town provided by our Recreation Department.

Accolades to Chief Baumgart's Administrative Assistant, Lynne Kravos for initiating the annual reporting to AAA. These efforts were rewarded by the City achieving the Gold and Platinum Awards. Thank you Lynne!

**SPRING & SUMMER
2015**

Road Improvement Planning to Begin Soon

Starting this spring, all roads in the City of Kirtland will be evaluated by the Public Works Administrator and the City Engineer. A prioritized list of roads to be resurfaced and repaired will be established. A schedule of work will be developed to ensure the City has an effective road improvement program in place before work begins. The Public Works Department will work diligently to keep the roads safe for residents and visitors. Safe and reliable roads are critical for a successful community.

Fire Department Implements Lock Box Program

The Kirtland Fire Department has recently implemented a new lock box program for its residents. The Roper lock box, (left) hangs over the resident's door and has a spare key inside. In an emergency, the Fire Department can gain entry into the home without any damage to doors or windows. The Fire Department is the only department that has a master key to these boxes. The program is ideal for elderly residents who live alone or have medical alert buttons. The lock box is affordable at \$25 per box. For more information, please call the Kirtland Fire Department at 440-256-8979 and ask for Vicki Grinstead.

Garage Sale Permits

Residents hosting a garage sale are required to obtain a permit. Sales may be held for a maximum of four days. A resident may not hold a sale more than twice per year and must apply separately for each garage sale date. The cost of the permit is \$3.00.

Applications are available in the Finance Department at Kirtland City Hall, 9301 Chillicothe Road. A name, address, and the dates of the sale are required at the time of application.

For additional information, please contact the Finance Department at 440-256-3332, extension 2.

Waste Management Bags Available at City Hall

In addition to the Kirtland Community Center, City Hall will now sell green plastic garbage bags to Kirtland residents. These solid waste collection bags are for those residents who have not signed up for cart service with Waste Management.

The bags are sold in a roll, with 5 bags per roll, for a total of \$16.55 per roll. The bags are in stock at both locations and ready for purchase at your convenience. Cash or checks payable to the City of Kirtland are accepted.

Mayor Tyler's Message Continued from Front Cover

Congratulations are extended to one of Kirtland's beloved residents, Mr. Joseph DiFranco. On Sunday, February 22, Joe was presented with the Knight of the French Legion of Honor medal by honorary French Consulate Stephen J. Knerly at American Legion Post 214 in Willoughby. Created by Napoleon, it is the highest honor that France can bestow upon those who have achieved remarkable deeds for France. Joe was honored for his courage and bravery while serving in World War II as a member of the Army's 862nd Engineer Aviation Battalion. The City of Kirtland is proud to call Mr. DiFranco one of our own and is forever grateful for his service.

Mayor Tyler's 2015 Budget Recap

Kirtland Finance Director Keith Martinet and I presented the Mayor's Budget for Fiscal Year 2015 to City Council on February 18th for review and approval. I would like to share with you some of the highlights of the City Operating Budget and how it will impact the Kirtland community.

Revenues to the City for 2015 are estimated at \$7,218,750, which represents an increase of \$555,921 compared to the actual 2014 receipts of \$6,662,829. This rise is mainly due to additional revenue of approximately \$460,000 generated from the 2014 Road Levy.

Municipal tax revenues for 2015 are estimated at \$5,438,100 reflecting an overall increase of \$579,456 over last year. Property tax revenues in 2015 are estimated at \$2,113,100, resulting in an increase of \$423,895 from last year.

The City will be paving Sperry Road from Route 6 to Kirtland-Chardon Road this year, in large part through grants from both the Ohio Public Works Department (OPWC) and the Lake County Stormwater Management Department (LCSMD). The OPWC assistance alone will provide 50% of the cost for the project.

Recommended expenditures in 2015 will total \$7,635,675, which reflects an increase of 2.70% from last year's appropriation of \$7,435,265. This modest increase is due to the purchase of a new snow plow for Public Works, two new cruisers for the Police Department, a new vehicle for the Fire Department, and needed upgrades to the Community and Senior Center.

The 2015 budget is a financial plan that emphasizes "Programs of Services" aimed primarily to better the community. The council and City administration continue to work diligently to provide the residents with the best services possible.

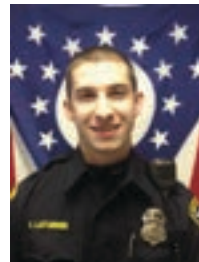

I hope you found this information helpful and I welcome any comments you may have. Everyone here at City Hall is committed to making the City of Kirtland a great place to live and work. We hope that 2015 will be a productive and prosperous year for our community.

Welcome New Kirtland PD Officers
